

## Soil Management

**Goals/purpose:** (PTO for examples) *e.g. To control erosion on gully and better manage hills to prevent further erosion.*

Actions	Information needs	Materials & Costs	By when?	Review Date
<i>e.g. Fence off gully in top paddock &amp; revegetate. Monitor and manage groundcover at 100% to reduce erosion on hills.</i>	<i>Species list for revegetation.</i>	<i>Fencing \$1,000 Trees/shrubs \$500</i>	<i>November 2008 &amp; ongoing</i>	<i>December 2008 &amp; ongoing</i>

**What needs to be monitored and what records kept?** (PTO for examples) Monitoring & recording sheets are available behind the 'Monitoring/Recording' tab of the folder and on the CD.

*e.g. Photo monitor to ensure erosion in gully isn't getting worse and check for weeds. Monitor groundcover and adjust stocking rate on hill areas.*

Compile action plans behind the action planning tab in your folder.
